### Helpful Hints

#### 15 to FINISH

Take 15 credit hours a semester to finish your degree in two years.

Criminal and/or other types of background check, possibly at the students expense, may be a requirement of some courses in this degree program. The ability to complete cooperative training, internships, field experiences, and educational practicums may be based on the results of these background checks. This could result in your inability to successfully complete course/program requirements.
