

SOUTHWEST TENNESSEE COMMUNITY COLLEGE

SUBJECT: Time to completion of Degree (SSCC/STIM): June 30, 2005

EFFECTIVE DATE: July 1, 2000

Students who were properly enrolled in regular degree or certificate programs offered by Shelby State Community College or State Technical Institute at Memphis will have up to five years after July 1, 2000 to complete their program of study. Upon request within that period, successful students may petition to receive the appropriate academic credential under the name of the original college or Southwest Tennessee Community College. STCC subsumes all former degree and certificate programs as originally offered by Shelby State/State Tech and, as appropriate, may combine, modify or substitute certain courses with equivalent versions as determined and recommended by the faculty of Southwest Tennessee Community College. It is each student's responsibility to meet and confer with academic advisors to assure that their plans for program completion are approved and in line with any revisions as described herein.
