Handling/Disposal

Handling: From MSDS

Special Precautions: Store at moderate temperatures (50-100F).
Protect from freezing. Keep out of the reach of children. Keep container closed when not in use.

Respiratory protection is not usually required, however, any room where this product is used should have good ventilation, i.e., open windows, exhaust fans, etc. A good, normal precaution is to wear protective gloves and glasses. No other protection equipment is necessary.

Disposal: From MSDS

This product can be handles as a non-hazardous industrial waste.
