From: Dr. Tracy D. Hall, President

Re: Resolution on Department Chair Training

Date: March 8, 2016

I have reviewed and whole-heartedly support the Faculty Senate resolution to provide training for department chairs. For any institution to grow and flourish, an investment must be made in its people. To that end, a key priority in our 2016-2025 strategic plan, ***Focus: 2025***, will be the training and professional development of all employees of Southwest Tennessee Community College.

Thank you to the faculty for your hard work, dedication and commitment to the success of our students, community and the College.
